Introduction of Company High Speed Diesel

We believe excellent service is paramount to our success, combine this with first class local knowledge and competitive prices and that is what makes Ali Petroleum Service the automatic choice for all of your oil and energy needs.

A next day delivery service is provided, but in the event you'd run out of oil we will do our best to deliver to you the same day.

No Delivery is too large or too small as we have an extensive range of tankers to suit you. Whether that is a full 36500 litre delivery on an articulated tanker right down to 500 liters on our baby tanker we have the equipment to fulfill your needs.

We are very proud of the high levels of service we provide in supplying diesel High speed diesel, Kerosene Oil and lubricants. So please give us the opportunity to prove it to you.

MISSION

At Ali Petroleum Service Distribution, our mission is to be your-stop, full-service fuel supplier, eliminating the need to look elsewhere. Rest assured that our team is dedicated to meeting your fuel requirements with unwavering reliability and professionalism.

We look forward to serving you with the utmost dedication and expertise.

FUTURE AND BENIFITS

Free doorstep delivery at current market nozzle rate i.e. (petrol pump price)

We have qualified staff to give you a study, covering recommendations to curtail wastage resulting in cost reduction.

Additional advantage is that due to central purchase system, theft / leakages can be prevented against procurement of fuel on a daily basis.

Tailor made supply services of fuel will not only give peace of mind but will also reflect considerable savings in terms of time, transportation and other unnecessary hastles in procuring fuel from the petrol pumps. Fuel Tanks upto a capacity of 3000 liters can be placed at your premises on a free of cost basis to provide storage facility, should the same be required by your organization.
